vs 2.0

MED-ASSIST

The main application interface for Med-Assist. It features a header with the logo and the text "Vital medical skills - Instantly". Below the header is a large image of a stethoscope and a globe with a play button overlay. At the bottom of the image are four buttons: "Instructions", "Skills Menu", "Documents", and "Feedback". Below the image is the title "MED-ASSIST" and the subtitle "Vital Medical Skills - Instantly". At the bottom left, there is a section for "Available Offline:" with a toggle switch currently set to "NO". Below this are the author "By: MED-ASSIST" and the URL "http://www.medassist.online". At the bottom right, it says "Not applicable" and "Version: 2.0 (december 2015)".

Available Offline:

 NO

By: MED-ASSIST
<http://www.medassist.online>

Not applicable
Version: 2.0 (december 2015)

Move the 'Available Offline' switch to YES

MED-ASSIST

The main application window for Med-Assist. It features a header with the logo and the text "Med-Assist Vital medical skills - Instantly". Below the header is a large image of a stethoscope with a play button overlay. At the bottom of the image are four buttons: "Instructions", "Skills Menu", "Documents", and "Feedback". Below the image area, the text "MED-ASSIST" is displayed with a star icon to its right. Underneath, it says "Vital Medical Skills - Instantly". There is a section for "Available Offline:" with a "YES" toggle switch. To the right of this is a "Downloading..." progress bar with a green indicator and a close button (X). Below the progress bar, it says "By: MED-ASSIST" and "http://www.medassist.online". To the right of this, it says "Not applicable" and "Version: (September 2015)".

Med-Assist will now download

MED-ASSIST

The main application interface for Med-Assist. It features a header with the logo and the text "Med-Assist Vital medical skills - Instantly". Below the header is a large image of a stethoscope with a play button icon overlaid on it. At the bottom of the image are four buttons: "Instructions", "Skills Menu", "Documents", and "Feedback".
